

Updated Trade-in Program to Include GNS™480/CNX 80

From now through Dec. 31, 2018, Garmin is offering a credit toward the purchase of a new GTN 650 series or GTN 750 series touchscreen navigator with a qualifying trade-in (to Garmin) of a GNS 480*, CNX 80*, GNS 430/530* series or GNS 430W/530W* series navigator. Additionally, customers who also purchase a qualifying GTX™ transponder and GMA™ audio panel on the same purchase order can receive up to an additional \$2,000.00 in credit! Trade-in credit amounts can be found below. Returns must include the original installation rack and backplate. Units must be functional and flightworthy to be eligible for this trade-in credit.
