Dear Ms. Skidmore:

This letter is in response to your submittal of minor design changes for the following Supplemental Type Certificate (STC):

Certificate Number	Submittal Date	Master Drawing List Revision
SA2650NM	June 24, 2010	RC400-00 DL, Revision E, dated 6/14/10

The Master Drawing List (MDL) updates include changes that Rosen has made as a design approval holder to improve function for better sun protection.

We have completed our assessment of the design changes made in accordance with the FAA letter dated July 23, 2009, authorizing Rosen Sunvisor Systems to approve minor design changes, and find that they do not conflict with previously demonstrated compliance. We concur with your approval of the drawing lists.

If you have any questions, please contact me at (303) 342-1084.

Sincerely,

Melissa Sandow
Program Manager
